Adoption Auditions
GLAAS Foster-To-Adopt Program

The pets offered through this program may have quirks or eccentricities that have prevented them from finding a permanent home. The purpose of the 'Adoption Auditions' program is to offer potential adopters the opportunity to spend some time with one of these future celebrities in their home before casting them in a permanent role as a family member.

The goal of this program is to encourage potential adopters to take a second look at the older cat, or the dog on a special diet, or the pet that just needs a little more TLC to become a star.

I/we will call the shelter immediately to address any concerns we have during the foster period.

I/we will contact the shelter on or before _____ to either return or adopt this pet.

I further agree to indemnify and hold harmless GLAAS, its directors and officers, staff and volunteers, from any action, suits, fees, or expenses, including attorney's fees, arising out of my adoption of this animal.
